

Miss E Hardman – Assistant Head Teacher

Having worked at the Weald of Kent since 2004, I have enjoyed a range of leadership roles both within the MFL department (Primary and Secondary Outreach Coordinator; ICT in MFL Coordinator; Deputy Head MFL) and across the school (Teacher Governor; Head of Years 7-11 sequentially) until my recent appointment as Assistant Head Teacher which started in June 2022. Having recently attained a Diploma in Personal Performance Coaching, my love of developing staff and students alike continues. September 2022 brings a focus on Leading Behaviour and Culture and I look forward to working closely with Mrs Swaffer in this integral role.
