

Weald of Kent
Grammar School

Mrs A Beasley – Assistant Head Teacher

Prior to joining Weald as Assistant Headteacher in January 2020, I taught English, Drama and Performing Arts in two schools in West Sussex. I am passionate about Continuing Professional Development for all staff and have personally been awarded a Masters in Education at University of Cambridge and the NPQSL which I studied alongside my teaching. To me, there is nothing more important in a school than the development of what goes on in a classroom and I am always excited to discuss teaching and learning with colleagues. I am also passionate about the arts and the personal and academic benefits they bring. My current responsibilities at Weald are CPD, whole school interventions, pupil premium, whole school literacy and I am SLG link for Geography, RE, Business and Economics, Music and Drama.
