

15 June 2021

Dear parents and carers,

**Year 12 Trip to Margate – Wednesday 30 June 2021**

I am delighted to inform you that the Geography department have arranged a trip to Margate to study the character of a coastal town and practice the skills required for their NEA. The trip will take place on Wednesday 30 June. We will leave school at 8.30am and expect to return at approximately 3.30pm. The students will travel to and from the site in the school minibuses.

Activities will be outside and students should be dressed appropriately for the day. There are facilities for buying food and drink throughout the town, however we recommend students bring a packed lunch. Besides the aforementioned lunch arrangements, there is no other cost attached to this trip.

Students need to ensure that they bring a face covering with them on the trip and should also comply with any test and trace requirements.

Parental consent for attendance and medical treatment information is required by completing the attached form. These must be completed and handed back to Mr Simmons or Mr Reeves by no later than 25 June.

Thank you for your support.

Yours sincerely,

**Mr M Simmons**  
Teacher of Geography
