

Weald of Kent Development Trust

Providing a stimulating, well-equipped learning environment is crucial to the development of our progressive curriculum and success.

We continually strive to enhance facilities for all our students and staff.

Weald of Kent has been able to maintain the quality of its facilities through prudent financial management, the superb fundraising efforts of partner organisations and through parental donations to our Development trust.

We kindly ask everyone in the school community (Parents, Staff, Trustees, Alumni, Suppliers, local businesses and other friends) for the help. The level of generosity is not the important thing but your help is. We appreciate donations that are meaningful to you and not a burden.
