

23 September 2021

Dear parents and carers,

Year 8 Parents and Carers' Consultation Evening – Tuesday 28 September 2021

I would like to invite you to the Year 8 Consultation Evening which is on Tuesday 28 September from 4pm until 7pm. Please note that appointments are also available on Wednesday 29 September to see a small number of Staff in addition to this.

After feedback from our parents, carers and staff, our parent consultation evenings will be virtual this year, which we hope will be more convenient for you all. Please click [here](#) for the step-by-step guide of how to set up your parent account via the SchoolCloud online system. It is essential you set up an account to enable you to book the virtual appointments with your child's teachers. If you have any queries or have trouble logging on, please do get in touch via school@wealdgs.org.

During these appointments, you will be able to discuss your child's academic progress with their subject teachers. Students are welcome to attend the appointments if they are able to. Please note, it is important to log on in plenty of time as the system we are using automatically times appointments out at the end of your slot. Each parent is able to log in separately to this system. Where teachers have requested to see a parent/carers, this appointment will be made with the main contact person listed on our school's system. In all cases, emails will be sent to confirm appointments. You may wish to check your 'Junk mail', if an email does not appear in your inbox.

The link is now live and the booking system will close at 23.55pm on Monday 27 September.

For Staff who teach multiple classes, we will open up alternative appointments for Parents on School Cloud on different days. If you are unable to book an appointment with a particular teacher and wish to speak to them, please add yourself to the Waiting List on SchoolCloud. We will monitor these lists and set up additional parents' appointments as necessary. The staff who teach multiple groups are detailed on the attached table.

I do hope that you find this consolation and the new system useful for communicating your child's progress.

Yours sincerely,

Mr O. Morgan
Head of Year 8
