

10 March 2022

Dear parents and carers,

Tonbridge Workshop and Pizza Evening – 21 March 2022

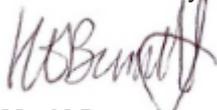

On Monday 21 March, the Art department will be hosting a workshop and pizza evening. This will be a unique opportunity that will run from 4pm - 7pm to give students the opportunity to address the areas of development identified in their last mark sheet, and to use the materials and equipment in the Art department that they might not have access to at home. Their Art teacher will be available during the evening to offer advice and technical support.

We have run similar sessions in the past and they were well attended and very popular. The students commented that they found the opportunity to complete work in a sustained amount of time, in a different environment with their peers, and with an opportunity for some social time very beneficial. The cost of attendance for this session is £10 and should be paid via ParentPay before the event. If you experience any difficulty accessing your ParentPay account, please contact Finance@wealdgs.org. Any student on the Pupil Premium register need not pay. In this case please contact JGladman@wealdgs.org to arrange a place on the session.

Please ensure that arrangements are made for your child to travel home safely. We cannot guarantee any form of public transport at this time.

If you would like to discuss this event further, please do not hesitate to contact me.

Yours sincerely,

Ms K Bennett
Head of Art
