

29 March 2022

Dear parents and carers,

### **Extra-curricular Newsletter Spring Edition**

I am delighted to share with you the second of our extra-curricular newsletters which showcases the wonderful array of activities, trips and clubs that our students at Weald have had the opportunity to experience. The last two terms have been busy and the Spring edition of the newsletter is filled to the brim with a range of academic and sporting success stories, competition winners, off-curriculum days and celebrations of Science Week and International Women's Day to name a few. You will also find a list of upcoming events for Terms 5 and 6.

This newsletter focuses on the really important extra-curricular aspects of school life whilst recognising the students' energy, talent and hard work that have led to their incredible achievements.

Please take a look as we are sure that you will be truly amazed at how much has been going on at Weald in the last two terms.
