

Weald of Kent Grammar School

School Uniform Policy

1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Purpose of the school uniform

The uniform plays a valuable role in contributing to the unique ethos of Weald of Kent Grammar School. We believe our uniform:

- Instils pride;
- Supports positive behaviour and discipline;
- Encourages identity with, and support for, the School's ethos;
- Ensures that students of all races and backgrounds feel welcome;
- Protects children from social pressures to dress in a particular way;
- Nurtures cohesion and promotes good relations between different groups of students;
- Enhances participation and enjoyment of sport when students feel comfortable in their PE clothing;
- Supports effective teaching and learning

3. Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all students
- Allow all students to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all students to style their hair in a way that is appropriate for school and makes them feel most comfortable
- Allow students to wear lightweight headscarves/hijabs for religious reasons
- Allow students with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs
- Allow for reasonable adaptations to our policy on the grounds of equality by asking students or their parents/carers to get in touch with the Head Teacher who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis.

4. Limiting the cost of the school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education (DfE) on the cost of school uniform.

We understand that items with distinctive characteristics (such as the Weald tartan skirts and items that need to have a school logo) cannot be purchased from a wide range of retailers and that requiring many such items limits parents/carers ability to ‘shop around’ for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible so that the school’s uniform can act as a social leveller
- Avoid different uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents/carers to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents/carers of any changes
- Consulting with parents/carers and students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

Support is provided to parents/carers via:

- The school for students in receipt of free school meals or pupil premium
- A successful low cost second-hand uniform scheme run by the PTA
- An effective system to re-unite named lost property with its owner

The School does not operate as a uniform supplier and gains no financial benefit through the operation of this policy. The uniform requirements and cost of supplying the uniform are regularly reviewed by the Trust Board. Any future changes to the uniform requirements would include a transitional period of phasing out the old and introducing the new.

5. Expectations for our school uniform

Students must wear full school uniform at all times except where otherwise directed by a member of staff. The general appearance of students should conform to a reasonable norm which, if necessary, shall be determined by the Headteacher. It is important that each student should project an image that would bring credit to themselves and the School.

6. Expectations for our school community

The School ensures that the policy is clear and well publicised via the School's website, the School's admissions information and in the Home-School Agreement.

6.1 Students

Students are expected to wear the correct uniform at all times (other than specified non-school uniform days) while:

- On the school premises
- Travelling to and from school
- At out-of-school events or on trips that are organised by the school, or where they are representing the school (if required)

Students are also expected to contact the Headteacher if they want to request an amendment to the uniform policy in relation to their protected characteristics.

Where a student is not adhering to the uniform requirements, the School will discreetly try to establish why not. The Headteacher, or a person authorised by the Headteacher, may ask a student with no good reason to go home to remedy the breach. In all such cases parents/carers will be notified and the absence will be recorded. If a student repeatedly infringes the School's rules on uniform, this will constitute a disciplinary offence.

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is:

- Clean
- Clearly labelled with the child's name

6.3 Staff

Ongoing breaches of our uniform policy will be dealt in accordance with the School's Positive Behaviour Policy, [Positive Behaviour Policy](#)

Form Tutors will contact home via the school planner/email/phone call should students not adhere to the rules and escalate to detention when previous actions are no longer impactful. Students in the Sixth Form must wear a lanyard at all times, to ensure they are easily identifiable."*

Appendix 2: Staff response grid

In cases where it is suspected that financial hardship has resulted in a student not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.
