	The HT shared the proposed term dates for the 2026/27 academic year. The changes had been piloted in the current academic year ie a two-week October half term and a two-week break at Christmas instead of one week and three weeks accordingly, three quarters of staff and two thirds of parents supported the change. This did not change the 187 days of the school year (183 teaching days) and was in line with Kent school term dates. Trustees approved the change with no questions.
