Study in the North Webinar

On Wednesday 17 June you are invited to join a webinar from the Universities of Lancaster, Newcastle, Sheffield and Sunderland.

The webinar takes place after school from 5.30 – 6.30pm online.

The session will introduce the North to those who are less familiar with the region, followed by a quick insight into the respective universities. Most valuably, there will be a Q&A session with current student ambassadors from each institution, where attendees will be welcome to ask any questions that they have about studying in the North and the universities present. They appreciate that moving away from home can be a daunting and stressful moment for students, and hope that sessions like these allow you to make informed post-18 choices.

Whatuni Student Choice Awards

The best UK unis of 2026, decided by students!

The Whatuni Student Choice Awards (WUSCAs) are the largest annual awards in the UK where the outcome is decided exclusively by students. Every year, they collect tens of thousands of reviews from students across the country through campus visits and the website. They then take the data from reviews and use it to calculate the winners of the annual WUSCAs.

The reviews are from verified students and rank the institution across a wide range of different aspects of uni life. Whether you want to see which unis rank highly for student life, or whether you are more interested in seeing who excels for teaching quality, the reviews cover it.
