

18 September 2020

Dear Parents and Carers

Further to my email earlier in the week, we have been informed that some students in Tonbridge Grammar School's Year 9 have been asked to self-isolate for two weeks following a positive case of COVID-19. One student at Weald, who has been in direct contact with this student, is also now isolating. There is no need for anyone else to isolate at the current time.

I have attached to this email our student guide to accessing work remotely, should we need to request students remain at home. We will be sharing this with students on Tuesday in PHCEE and from Wednesday will be implementing this. In order to be able to access the work, students will need to be able to use a computer (not a mobile phone) during the school day. If you do not have a suitable device for your child to use and need financial support from the school to provide this, please email [school@wealdgs.org](mailto:school@wealdgs.org) so that we can make a device available to you.

When I last wrote, I promised to share images from our new spaces around the school. Unfortunately, the images are not ready quite yet, but we will soon be creating a gallery on the website as soon as possible.

I would like to end with a thank you to our wonderful students, who have continued to demonstrate resilience, good humour, persistence and a will to succeed despite the obvious challenges that the way we are all working present.

Have a lovely weekend
