

9 October 2020

Dear parents and carers,

A Level Graphical Calculators

We have purchased a number of graphical calculators (CASIO CG-50) which we would like to make available to your child to assist them with studying Mathematics A Level. Since the course changed in 2017, examination boards expect students to have a higher-level calculator than the one that they probably used at GCSE.

The calculator we have purchased is a high-quality model, which is very user friendly and will assist your child in many aspects of their learning. It normally retails at around £100 or more but due to the quantity ordered, we have managed to secure a competitive deal. We have a limited number of calculators that can be borrowed from the school on a first come first served basis. Please note that the full cost of the calculator will be payable should it be damaged or lost.

If you would like to purchase a calculator, please use the A Level Calculator Purchase option, and pay the sum of £69.95 by Wednesday 21 October 2020. If you would prefer your child to borrow the calculator, please use the A Level Calculator Hire option. Payment should be made electronically via www.parentpay.com. If you experience any difficulty accessing your ParentPay account, please contact the Finance Department by email: financequeries@wealdgs.org.

If you wish to borrow the calculator, please complete the slip below and ask your child to return the slip to their Mathematics teacher.

Yours sincerely,

Mr L Cartwright
Head of Mathematics

Reply Slip – A Level Graphical Calculators

I understand that at the end of the course and after the A Level examinations, the calculator will be returned, undamaged, in full working order.

I understand that if the calculator is not returned, or is returned in a damaged condition then I agree to pay the full amount of £69.95.
