

25 March 2021

Dear parents, carers and students,

EPQ Information Evening – Tuesday 30 March 2021 at 5.00pm – 5.45pm

I would like to invite you to attend the virtual EPQ Information Evening on Tuesday 30 March from 5.00pm – 5.45pm. This will be an opportunity to explain the merits of the EPQ qualification, the structure of the programme and the expectations of students. I will also be outlining the next steps for students who wish to join the course and let them know how they should begin to prepare.

Students will be supported in school and allocated a supervisor in Term 5 to guide them through the process. The guidance available indicates best practice is for students to delay commencing research and writing until the meeting in Term 5 has taken place.

The presentation will be delivered via a webinar using Microsoft Teams. The link to the meeting is:
